All scholarship applicants must first register for camp. After registering you can apply for financial aid. We will consider scholarship applications in groups; all completed applications received by the deadline will be considered. **Round 1 application deadline is March 20th, 2017, Round 2 deadline is April 17th, 2017.** If funds allow we will schedule a 3rd round sometime in May; contact the office for information. A complete application includes the following:

• **This scholarship application filled out completely.**

• **An audition recording**

Every scholarship applicant must submit a recorded audition. We accept CD, USB sticks, digital files, or videos uploaded to a media share website such as YouTube or Dropbox so long as we are provided with the correct web link. Your recording should include at least two of the scales listed as required for your session on the Musical Aptitude form. You should also include two short pieces or excerpts demonstrating different tempi. Accompaniment is optional. **State your name and piece at the start of each recording and write your name clearly on the tape.**

• **Application fee**

The scholarship application fee is \$140 and replaces our standard registration deposit. This deposit is fully refundable if scholarship awarded is not sufficient and camper is unable to attend.

• **Financial Documents**

Please include a copy of the first page of your most recent Federal tax return and any other documentation that will help us assess your need for a scholarship.

We cannot evaluate incomplete applications so be sure to include everything listed above. We recommend that you make a copy of the application, tape and/or CD, as things do occasionally get lost in the mail.
