

Concert CD and MP3 Order Form *from* Gap-CD

All concerts at camp are recorded and each camper receives a CD containing highlight selections from their camp concerts mailed to them a few weeks after camp. With the exception of the Young Musicians Session, there is additional music recorded that does not fit on this single CD. You can order a multi-CD set or an MP3 disk containing all the music from your camper's concerts. Disk's will be delivered to your door in six to eight weeks.
