Instructions: First register your camper either online or with the paper registration form. You cannot use this form to register your camper. Then complete this form for financial aid. We will consider scholarship applications in rounds; all completed applications received by the deadline will be considered in that round. **The application deadline for Round 1 is March 15, 2018, Round 2 deadline is April 12, 2018.** If funds allow, we will schedule a 3rd round for late applicants: contact the office for information. A complete application includes the following:

• **A scholarship application form filled out completely.**

• **An audition recording**

Every scholarship applicant must submit a recorded audition. Our preferred method of submission is a digital recording uploaded to the Cazadero google drive. We will send you a link with instructions when you register. You can also send USB sticks or CD's. Your recording should include two or three level appropriate scales and two short pieces or excerpts demonstrating different tempi. Accompaniment is optional. **Campers should state their name and the piece of music they will be playing at the start of each recording. Please label submissions with the camper's name and session.**

• **Application fee**

The scholarship application fee is \$140 and replaces our standard registration deposit. This deposit is fully refundable if the scholarship awarded is not sufficient and the camper is unable to attend.

• **Financial Documents**

Please include a copy of the first page of your most recent Federal tax return or some other proof of annual income along with any other documentation that will help us assess your need for a scholarship.

We cannot evaluate incomplete applications so be sure to include everything listed above. We recommend that you make a copy of the application if you send it to us in the mail.
